# ABOUT US

Staitieh Group, founded in 1950, is a family-owned organization consisting of four sister companies, each focused on designing and delivering high-quality, aesthetically pleasing, and functional spaces for both indoor and outdoor environments. For over 75 years, we have been the leading name in providing the Jordanian market with innovative, high-quality solutions for homes, businesses, and public sector projects. With a rich legacy of expertise and craftsmanship, we are committed to transforming spaces with designs that enhance both aesthetics and functionality.

# MISSION

As part of Staitieh Group, our mission at Staitieh Decoration is to deliver exceptional decorative and construction solutions that are tailored to meet the evolving needs of our clients. We combine deep market knowledge with trusted global partnerships to provide high-quality materials and services across residential, commercial, and public projects. Grounded in our family-driven values and a client-first mindset, we are committed to excellence, reliability, and innovation in every project we support.

# VISION

Our vision is to be the leading supplier of decorative and building materials in Jordan. We are committed to achieving this by establishing new industry benchmarks for quality, service, and innovation. We aim to be a strategic partner to the design and construction industries, fostering their growth and contributing to the development of a structurally sound and aesthetically rich future for the region.

# FLOORS

## FOUNDATIONS OF DESIGN

Our flooring solutions lay the groundwork for exceptional interiors. With a focus on durability, aesthetics, and performance, each product is engineered to support daily use while complementing the overall design vision.

### VINYL FLOORING

Durable, hygienic flooring for commercial spaces, hospitals and homes.

### LAMINATE FLOORING

Get the classic wood look with easy installation and lasting durability.

### ENGINEERED FLOORING

Luxurious real wood finish with superior stability & timeless elegance.

# FLOORING

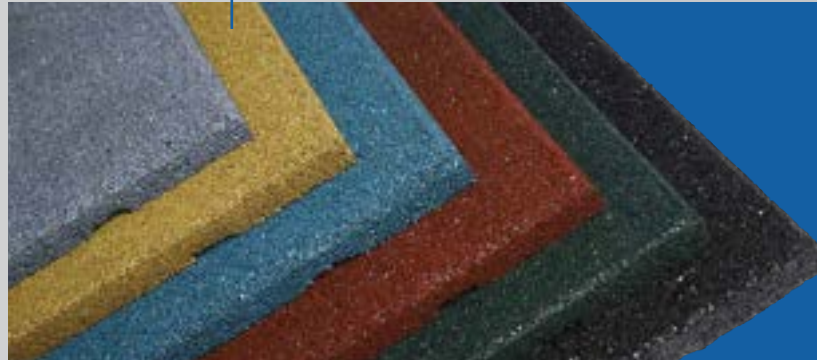

## SPC FLOORING

(Stone Plastic Composite): Rigid waterproof flooring with high stability & modern aesthetics.

## INDOOR RUBBER TILES

Impact resistant, slip safe tiles ideal for active & high performance spaces.

## CARPET TILES

Modular flooring solution offering easy maintenance, design flexibility and acoustic comfort.

## RAISED FLOOR SYSTEMS

The smart solution for hidden cables and efficient space management.

BEYOND THE INDOORS:

# ELEVATE THE OUTDOORS

Your outdoor spaces deserves just as much attention as your interiors ! with our exterior solutions blend durability with architectural appeal—engineered to withstand harsh environmental conditions.

## AUTOMATED SHADES

Instant privacy, sun protection, and smart outdoor convenience.

## HPL (HIGH-PRESSURE LAMINATE) PANELS

Weather-resistant, stylish panels merging wood texture with advanced durability.

## ARTIFICIAL GRASS

Low-maintenance, natural-looking turf for durable, year-round outdoor appeal.

## OUTDOOR FURNITURE

Stylish and durable designs for comfortable outdoor living.

## OUTDOOR RUBBER TILES

Safety, comfort, and weather-proof resilience for any outdoor area.

## FIBER CEMENT BOARD

Strong, weather-resistant panels ideal for exterior cladding and interior walls.

## WPC (WOOD PLASTIC COMPOSITE)

The beauty of wood with low-maintenance ideal for fencing, flooring, pergolas.

EXTERIOR

# CEILING SOLUTIONS

MORE THAN JUST A ROOF OVER YOUR HEAD

Ceilings play a crucial role in both the aesthetics and acoustics of a space. Discover options that combine beauty with practical benefits.

## WOOD CEILING TILES

Natural warmth, meets modern architecture, and inherent acoustic properties.

## CANOPY CEILINGS

Ceiling design that moves beyond the grid.

## METAL CEILING TILES

Architected metal solutions for high performance spaces.

## SOFT CEILING TILES

Sound-absorbing comfort for quieter, more productive environments.

### **BAFFLE CEILING**

Architected rythem with purpose for open spaces.

### **GRID AND SUSPENDED CEILING SYSTEM**

The essential backbone for easy ceiling installation & utility access.

### **MINERAL FIBER CEILING TILES**

Cost-effective performance with great acoustics, fire resistatnce and a clean versatile look.

### **GYPSUM CEILING TILES**

Smooth, fire-resistant, and economical for a polished finish.

# CEILING

# DRYWALL SYSTEMS

## THE SKELETON OF YOUR SPACE

Behind every beautiful wall and ceiling lies a robust drywall system. Here's a look at the components that create durable and versatile interiors.

### STANDARD GYPSUM BOARD:

#### RG (Regular Gypsum Board):

Your everyday standard for interior walls and ceilings.

#### FR (Fire-Resistant Gypsum Board):

Enhanced fire protection for added peace of mind.

#### MR (Moisture-Resistant Gypsum Board):

Humidity-ready boards for bathrooms and kitchens.

**FMR (Fire and Moisture-Resistant Gypsum Board):** Dual protection for challenging, demanding environments.

### CEMENT AND FIBER CEMENT BOARDS:

#### Cement Board by Aquapanel:

High-performance, waterproof board for wet areas, indoors and out.

#### Cement Board by Aquafire:

Waterproof durability with enhanced fire resistance.

#### Fiber Cement Board by United Mining KSA:

Strong, resistant to moisture, fire, and pests.

## SPECIALIZED GYPSUM BOARD:

**Diamant Board by Knauf:** Special gypsum board with enhanced sound insulation, fire and moisture resistance, impact strength properties.

**Guardex by Knauf:** Advanced moisture and mold resistance for challenging humidity.

**Securock by USG ME:** Extreme impact and moisture resistance for demanding applications.

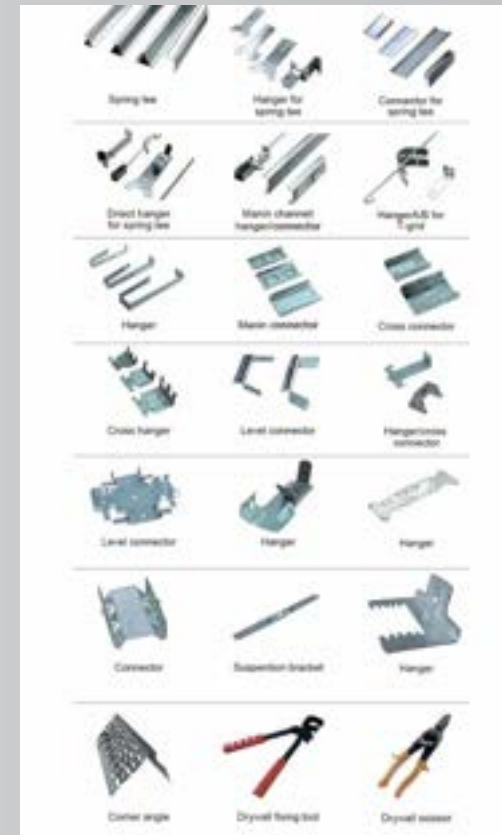

**Mold by Knauf:** Specifically formulated to resist mold and mildew growth.

**Cleaneo by Knauf:** Acoustic panels that absorb sound and improve air quality.

## DRYWALL ACCESSORIES BY KNAUF AND USG

All the finishing touches for a seamless, professional drywall system.

# DRYWALL

# WALL COVERINGS

## PERSONALITY FOR YOUR WALLS

Your walls are a blank canvas, and these coverings are all about adding personality, texture, and function to your interior spaces.

### Stone Veneer

Timeless natural stone look without the heavy weight or high cost.

### PU & Foam Panels

Lightweight, easy to install, offering decorative textures and insulation.

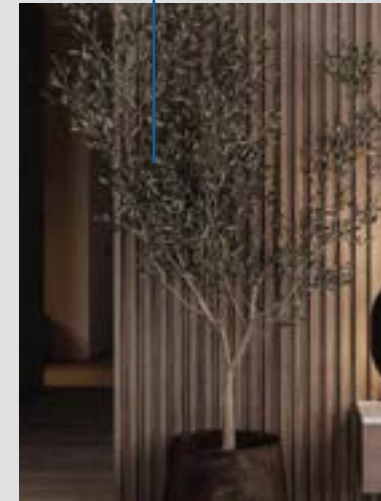

### Acoustical Panels and Tiles

Your secret weapon for enhanced sound quality and noise control.

### MDF Wall Panels

Versatile, cost-effective, and customizable for stunning wall designs.

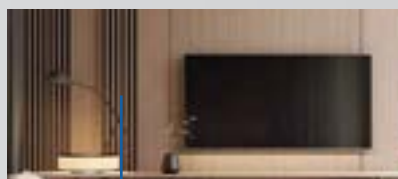

### Artificial Plants

Vibrant, low-maintenance greenery to effortlessly enhance any space.

# WALL COVERINGS

## Lighting Marble

Translucent marble that glows – creating mesmerizing, illuminated features.

## Flexible Stone

Real stone beauty with incredible flexibility for any surface.

## Wallpaper

Transform any room with captivating patterns, textures, and colors.

## Decorative Foam Board

Cost-effective, easy-to-install designs for textured walls.

## Crown Moldings And Skirting Boards

The perfect finishing touch, adding architectural character and polish.

## Fiberglass Boards

Durable, lightweight, and hygienic – ideal for demanding, cleanable surfaces.

## Uv Board

High-gloss, sleek, and durable – resistant to scratches and fading.

# FINISHES & ADHESIVES

Our comprehensive range of finishes and adhesives provides essential solutions for a variety of construction and interior design applications. From seamless joint treatments to robust flooring installations, our products ensure durability, aesthetic appeal, and reliable performance.

## JOINT FILLERS And GYPSUM POWDERS

These products are essential for achieving smooth, even surfaces on gypsum boards and other substrates, preparing them for painting or other decorative finishes.

**USG ME Sheetrock Multipurpose Joint Filler:** Versatile compound for taping, finishing, and patching with ease.

**USG ME Durock Basecoat:** Polymer-modified base coat for strong bonds and crack resistance.

**Knauf Fugagyps Powder:** Gypsum-based jointing for smooth, strong plasterboard finishes.

**United Gypsum Powder for moldings:** Quality gypsum powder for seamless joint filling and repairs.

## SEALANTS

Our range of sealants provides flexible and durable solutions for sealing gaps and joints, protecting against moisture, dust, and air infiltration.

**Nefix Silicon and Siliconized Acrylic:** High-performance sealants for flexible, watertight, and paintable finishes.

## ADHESIVES

Our selection of adhesives offers reliable bonding solutions for a wide array of interior finishing materials, from delicate wallpapers to heavy-duty floor coverings.

**ACM Italy Wall Paper Adhesive Powder and Ready Mix:** High-quality, strong-bonding wallpaper adhesives for a flawless finish.

**Mapei Italy Adhesives for Parquet, Vinyl, and Conductive Vinyl Floorings:** Premium adhesives for superior, specialized, and secure flooring installations.

**Bostik Vinyl Adhesives:** Reliable bonding for secure and durable vinyl flooring installations.
